**OFFICE OF PETITIONS**

In re Application of	:
Chen et al.	:
Application No. 10/760,281	: DECISION ON PETITION
Filed: January 21, 2004	: UNDER 37 CFR 1.55(c)
Attorney Docket No. MR2349-984	:

This is a decision on the petition under 37 CFR 1.55(c), filed June 2, 2006, to accept an unintentionally delayed claim under 35 U.S.C. § 119(a)-(d) for benefit of priority to the filing date of foreign Taiwan Application No. 092219257, filed October 30, 2003.

The petition is **DISMISSED**.

This application was filed after November 29, 2000, and did not include a reference to the foreign application, for which benefit is now sought, within the later of four months from the actual filing date of the application or sixteen months from the filing date of the prior foreign application. Since the claim for priority is submitted after the period specified in 37 CFR 1.55(a)(1)(i), this is an appropriate petition under the provisions of 37 CFR 1.55(c).

A petition under 37 CFR 1.55(c) to accept an unintentionally delayed claim for priority requires:

- (1) The nonprovisional application claiming the benefit of an earlier filing date must be filed on or after November 29, 2000;
- (2) the claim submitted with the petition must identify the prior foreign application for which priority is claimed, as well as any foreign application for the same subject matter and having a filing date before that of the application for which priority is claimed, by the application number, country, and the filing date, **and be included either in an oath or declaration (37 CFR 1.63(c)(2)) or in an Application Data Sheet (37 CFR 1.76(b)(6))**;
- (3) the surcharge as set forth in 37 CFR 1.17(t);
- (4) a statement that the entire delay between the date the claim was due under 37 CFR 1.55(a)(1) and the date the claim was filed was unintentional (the Director may require additional information where there is a question whether the delay was unintentional); and
- (5) the above-identified nonprovisional application must be filed within 12 months of the filing date of the foreign application.

The petition fails to comply with item (2) above. In this regard, a review of the file record fails to disclose that the priority information was included in an oath or declaration or in an Application Data Sheet (ADS) in accordance with 37 CFR 1.76(b)(6). Unless provided in an ADS, 37 CFR 1.63(c)(2) requires that the oath or declaration must identify the foreign application for patent (or inventor's certificate) for which priority is claimed under 37 CFR 1.55, and any foreign application having a filing date before that of the application on which priority is claimed, by specifying the application number, country, day, month, and year of its filing. *Note* MPEP 201.14.

In view of the above, compliance with 37 CFR 1.63(c)(2) or 37 CFR 1.76(b)(6) must be satisfied if applicant desires to claim priority to the foreign application noted in the petition. Any future petition should include a cover letter and be entitled "Renewed Petition under 37 CFR 1.55(c)."
